

Farmers Market for a Cause

JUST WHAT EVERY KITCHEN NEEDS.

Starting in August, spend your Tuesdays from 4pm-7pm at the Farmers Market, a joint effort between GWCFB and The Farm, where you can gather everything you need for a week's worth of nutritious food and immerse yourself with the local community.

Want to be a vendor? For only \$40/month, you reserve a 10' x 10' space at our Farmers Market, with **100%** of your fee going towards providing meals to those in need in Washington County. Email admin@gwcfb.org or mail the following form to:
